

LOOKING GLASS WINES

2009 Watervale Riesling

Looking Glass Wines, in their second vintage chose premium fruit from the renowned Clare Valley to produce the 2009 Watervale Riesling.

Hand picked from 40 year old vines, this fruit was grown in the old vineyards surrounding the historic township of Watervale. The Riesling was picked in March after a mild late summer.

The 2009 is an elegant wine, with a fragrant nose; floral and spicy, concentrated lime and zest.

The wine is medium bodied with fresh apple, lime and sherbet flavours with a delicate mineral finish, typical of the best Rieslings of the region.

2.2 g/L residual sugar
12% alcohol
